RELEASE No. 73-C

MUTUAL WATER COMPANIES

This release supersedes Release 2-C (Revised), which sets forth the qualification standards and procedures with respect to an application for qualification by permit (Corporations Code Section 25113) to issue securities filed by a mutual water company.

Effective May 14, 1983, Release 2-C (Revised) is repealed and the qualification standards and procedures to be applied to a mutual water company seeking to sell its securities will be set forth in Title 10 of the California Administrative Code (10 CAC Secs. 260.140.71 through 260.140.71.10).
